**INNOVATION AWARD
ARCHITECTURE +
BUILDING**

IN COOPERATION WITH MESSE MÜNCHEN

13 TO 17 JANUARY 2025 | BAU 2025

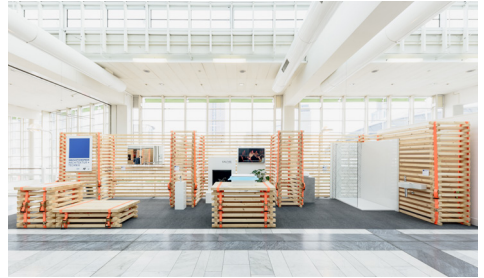

JURY MEETING & AWARD CEREMONY ON 13 JANUARY 2025

INFORMATION FOR INDUSTRY AND MANUFACTURERS

BAU **AIT** **AITDIALOG**

ADVANTAGES INNOVATION AWARDS

The Innovation Awards are aimed at companies and processing firms as well as architects and interior designers working in these fields. Based on architectural criteria, they award products and conceptual solutions which are equally convincing in terms of design and technical aspects.

Booth system Innovation Awards

Exhibition

Each product submitted to the respective Innovation Award is part of a large special exhibition that is shown during the trade fair with a thematically related focus. At BAU 2025, all submitted products are presented on large-format posters with supplementary explanations.

Jury

The submitted products will be evaluated exclusively by leading interior designers and architects or decision-makers. Depending on the thematic focus of the Innovation Award, interior designers and architects with relevant expertise or an above-average significance for the industry are selected as members of the jury. At BAU 2025, the jury members will examine the submitted products at the booth of the respective company. The posters in the exhibition area serve as reminders in the subsequent jury discussion.

Award ceremony

All Innovation Awards are handed over as part of public events during the respective trade fair.

Awards

The Innovation Award trophy and certificate are proof of the highest architectural quality of the awarded product. The logo may be used free of charge on all marketing material of the winning company. Within the architecture and interior design community it showcases that the product has been tested by renowned colleagues and found to be of outstanding quality.

Special publication print + online

All participants of the Innovation Award are published with their submitted products in an extensive special section of the trade journal AIT (reach up to 20,000 readers) after the trade fair. They are also presented in the publisher's digital media. This includes an online documentation at www.ait-xia-dialog.de, a presentation in the AIT-Dialog by GKT newsletter (around 15,000 subscribers) and distribution via social media channels.

8 - 13 March 2026

COMMENTS FROM PARTICIPANTS

Jürgen Bartels
Managing Director
BaSys - Bartels Systembeschläge

Innovation Award Architecture+ Building

BaSys - Bartels Systembeschläge GmbH

“BaSys was pleased to take part in the Innovation Award Architecture+ Building at BAU in order to obtain an independent opinion from a jury of experts on a new door fitting. [...] The organisers also knew how to prepare the competition in a media-effective manner. We can still feel the impact of the award beyond the trade fair.”

Stephan Naacke
Managing Director
Marketing and Sales
FINDEISEN GmbH

Innovation Award Architecture+ Building

FINDEISEN GmbH

“We are delighted to have received the Innovation Award from an expert jury of architects for the further development of our flooring in terms of image and content. This success makes us proud and shows that we are on the right track.”

BAU 2025 | 13 - 17 JANUARY 2025 | MESSE MÜNCHEN

Are architects within your target group?

The Innovation Award Architecture+ Building might be highly interesting for your company: industrial firms and designers present their products to face up to the critical judgement of architects and are thus, given priceless trade-specific feedback. The renowned Innovation Award Architecture+ Building, which is being organized for the 16th time in 2025 by the architecture journal AIT in cooperation with Messe München emphasises the significance of architectural quality which represents the safe basis for a promising result. From among the large number of building products available on the market those are awarded that correspond to the requirements of architects to a special degree.

Conditions of participation

Participation is possible for all exhibitors at BAU 2025, who have developed an innovative product or a project related solution in regard to building. Both should meet high technical and design demands. Architects and interior designers, who collaborated with an exhibiting company, may also participate. Both the development of the product and the project-related solution should not date back more than three years and has to be available on the market at the time of the fair. Every company has the possibility to submit several products. Unfortunately, non-exhibitors are unable to participate.

Presentation of submissions

During BAU 2025, all submitted products are presented at the Innovation Award booth on DIN A0 posters. Additionally, you will be able to display brochures about your product. By participating in the Innovation Award Architecture+ Building, you can make use of a second presentation platform over the entire duration of the trade fair.

Jury

The award winners are selected by an expert jury consisting of renowned interior-/architects and decision-makers. On the first day of the trade fair the jury will visit the booth of your company to examine the submitted product. On this occasion you will be able to present your product in person.

Booth Innovation Award Architecture+ Building

Winners and jury 2023

Award ceremony

The winners will be presented right after the jury meeting on 13 January 2025 at 5 pm as a public event at the Innovation Award booth.

Awards

The winners receive trophies (for the Innovation Award) and certificates (for Special Mentions and Mentions). Additionally, every award winner receives the digital logo of the Innovation Award and may use it for their own advertising activities for one year.

Special print publication

All participants of the Innovation Award will be published with their products after the jury meeting in a comprehensive special section of AIT (reach up to 20,000 readers).

Online presence

In addition, all participants of the Innovation Award will be presented with their products in the digital media of the publishing house. This includes an documentation on www.ait-xia-dialog.de, a presentation in the newsletter AIT-Dialog by GKT (around 15,000 subscribers) and distribution via social media channels.

Required documents

For each product, an information sheet must be completed online and submitted in advance. This is provided to the jury for a better understanding of the product. For the special exhibition on our Innovation Award booth, you will design a DIN-A0 poster based on a template that you will receive from us with your registration confirmation. There is no need to provide an additional exhibit.

Dates

Registration deadline:

20 November 2024

STATEMENTS FROM THE JURY

Prof. Ritz Ritzer
Office owner
bogevischs buero, Munich

Innovation Award
Architecture+ Building, Jury

“Not every innovation deserves this name. It is therefore all the more important to assess what the construction market has to offer. It is encouraging that in the scope of the Innovation Award one can make time for this assessment and the exchange of ideas in order to evaluate what the new products can yield, without being influenced by third-party interests. [...] Sometimes one is quite amazed and positively surprised by what is new. You should definitely carry on!”

Nicole Kerstin Berganski
Büroinhaberin
NKBAK, Frankfurt am Main

Innovation Award
Architecture+ Building, Jury

„The participation in the jury has brought interesting insights into the current developments. [...] Two areas of interest were discussed in detail and controversially. On the one hand it was about an outstanding design, on the other hand innovative technical developments inspired enthusiasm: Two fields that advance product development and technical innovation.“

Registration:

Step 1

Register online until **20 November 2024** at ia-building-2025.ait-xia-dialog.de or complete the registration form for the Innovation Award Architecture+ Building 2025 and send it to innovationspreis@ait-online.de

Step 2

You will receive a confirmation of registration, a template of the layout for the DIN A0 poster as well as an information sheet.

Step 3

Design the DIN A0 poster for each submitted product and send the pdf in print quality until **29 November 2024** to our cooperating printers shop. The cost for each printed poster is approximately €85 (price is subject to change) and will be invoiced directly to your company by the printers shop.

Step 4

Fill in the information sheet online until **29 November 2024**.

Step 5

Welcome the jury at the BAU trade fair on 13 January 2025 at your booth and present your product.

Step 6

Attend the Award Ceremony on 13 January 2025 at 5 pm at the booth of the Innovation Award.

We offer

- Renowned architects and interior designers intensively engage with your product, your ideas and your design concept.
- Special exhibition at the stand of the Innovation Award during the fair
- Public award ceremony
- Provision of Innovation Award logo, which you may use in case of an award in the scope of your own advertising activities for one year
- Publication in a special section of AIT and online presence in the digital media of the publishing house at www.ait-xia-dialog.de, newsletter AIT-Dialog by GKT (around 15,000 subscriptions), social media
